

Programme Name : Tree Plantation, Date 1/1/2021
 Theme : Mission Oxygen.
 Attendance : total 38 cadet.

Report :- A total number of 38 NCC girl cadet of Lakhimpur Girls College took initiative to plant saplings of various kinds including large trees, shrub and herbs, different type of shady, fruits and vegetable plants at their own native places. We also discussed about the growth, watering the planted trees once in a day and protecting them from external harms by putting fencing guard for maintaining delicate environmental balance and motivated cadets to maintain the plants as a gratitude to mother nature.

NCC Annual Training Camp kick-starts in Lakhimpur

A CORRESPONDENT

LAKHIMPUR, Feb 1: National Cadet Corps (NCC), the largest uniformed youth organization in the world is a major contributor in nation building. NCC offers basic military training to the cadets of schools and colleges. The NCC has a two-year training cycle for junior cadets and three year of training for senior cadets. After two years of NCC training, the cadets of schools get 'A' Certificate and the cadets of Senior Division or Senior Wing get 'B' Certificate after completing three years the cadets get 'C' Certificate exam.

These certificates make the NCC cadets eligible for a number of benefits, major being no written exam for entry into armed forces for

C certificate holders. In addition, concessions are granted in form of bonus marks by Central Armed Police Organizations such as Assam Rifle BSF, CRPF etc to NCC C Certificate holders. They also get preference in admission for higher education as well as State Government jobs.

This year, the Annual Training Camp kicked off at ITI Women at Chaboti of Lakhimpur district on Monday under the leadership of Colonel J S Cheema, with the assistance of College NCC Officers Dr Subhanjali Das, Dipali Neog, Binita Saharia, Kalyani Konwar and Sub D K Bhai, Hav Johnny, Hav Akhil G and GCI Sangita. Colonel JS Cheema informed that all anti-COVID 19 precautions were carried out be-

fore and during the camp. All cadets in the camp were screened for temperature and allowed entry after getting hands sanitized and while wearing masks.

The camp started with the arrival of cadets from North Lakhimpur and Dhemaji district and the address by Col J S Cheema, followed by tree plantation and group photo. Then cadets participated in tent

pitching. A lecture event and demonstration was held for them by a team of the National Disaster Response Force where they learnt about life-saving skills, evacuation of casualties and first aid. Theory class on national integration was conducted by the caretaker officer. At the end of the day, all cadets left for the day to rejoin with additional cadets on Tuesday.

Report :

Nukkad Natak was organized in outside areas of our college campus. This is special initiative taken by our cadet to curb the use of polythene and plastic bottles which harms the environment in the long run. This was a way to send the social message across to the people through natak on Polythene ban which has become the need of the hour and to use the cloth bags, jute bags and bio-degradable polythene. Altogether 15 cadets took part in this natak which was performed in open areas nearby our college.

The Department of Anthropology in collaboration with Red Ribbon Club organised a blood identification and blood donation awareness camp on 22nd December 2021, at Tariani High School, Boginadi, Lakhimpur. The Programme was started by Dr. Lohit Hazarika by delivering an introductory speech along with Mrs. Minakshi Baruah regarding blood group identification and awareness of blood donation. The programme was carried successfully. All thanks to the Principal of the school and students for their cooperation. Thanks to our 3rd semester students and to Ms. Monalisha Doley, Mrs. Swarnamayee Talukdar and Dr. Mandira Bhagawati for guiding the students. At last thanks to Bhuban Saikia for the help in the camp. Total number of Students:248.
